

Valian

The AI front desk for dental and medical practices

Pricing

Two products, two offers, one simple meter

You pay only for what Amy actually handles. No seat fees, no platform fee, no setup fees, no long term contract.

START HERE

Insurance Verification

\$2.50 per real time eligibility check

Coverage back in seconds instead of 15 to 20 minutes on hold with a payer. Instant results across 1,100+ payers, including 750+ dental. Nothing to migrate, works alongside your practice software.

Everything included:

Automatic checks for tomorrow's schedule
On demand checks any time at the front desk
Results in your Valian dashboard

OFFER

First Month Free

Sign up for insurance verification and your entire first month of checks is free. The meter starts at zero.

THE FULL SYSTEM

Amy, the AI Front Desk

\$1.00 per connected voice minute

\$0.25 per text and per email

\$2.50 per insurance verification check

\$10 per month, dedicated phone line

Everything included:

Amy answers every call 24/7
Appointment booking in your existing software
Insurance verification, built in
Missed call text back, reminders, and recall
Digital check in and review requests
Practice memory that grows with every call

OFFER

\$1,000 Founding Credit Match

Sign up for the full system, fund your wallet, and Valian matches your deposit dollar for dollar up to \$1,000.

Complete price list

SERVICE	PRICE	UNIT
Insurance verification	\$2.50	per eligibility check, first month free
Voice calls answered by Amy	\$1.00	per connected minute
Text messages	\$0.25	per message
Email	\$0.25	per email
Dedicated phone line	\$10.00	per line, per month
Seats, setup, platform, support	\$0	always

How billing works

Fund a prepaid wallet, and usage draws it down. Auto reload keeps Amy on the phones, and you can adjust or turn it off any time in Settings. Keep your phone number and your practice software. Cancel any time, and your calls route straight back to your line the same day. Recordings, transcripts, and patient records export on request.

Prices current as of August 2026
